Reason for the scheme

It helps us to provide smooth administration if some of the factors likely to affect the Defined Benefit SSAS within the first 12 months are known, for example, property purchase. Please provide as much detail as you can, including timescales if known.

Principal reason for the SSAS:

Initial contribution details

Please provide details of the proposed first contribution for each member and the total contribution. If there are more than six members please use the notes section on page nine to detail their contributions.

If a member has benefits which are subject to enhanced protection or fixed protection, the protection will be lost if a contribution is paid by/for them.

Please ensure you seek independent advice from your professional adviser before paying contributions into the scheme.

Please DO NOT attach any contribution cheques as they cannot be accepted until the scheme has been registered with HMRC.

Once the scheme has been registered we will provide you with bank account details to enable any contributions to be made.

The Principal Employer has agreed to transfer or deliver to the Trustee or otherwise place under the trustee's control the sum of at least £1 as an initial contribution to the Fund to hold on irrevocable trust.
